

H & B FORGE COMPANY DEALER APPLICATION

Thank you very much for your Dealer request. We appreciate your interest and are committed to providing our dealers with the best quality, pricing, availability and service in the industry.

**Print, complete, & mail this form (with any necessary supporting documentation) to:
H & B Forge Co. 235 Geisinger Rd. Shiloh, OH 44878**

OR email form to hbforge@hughes.net

We often receive requests for wholesale pricing from individuals who are not actually Indian Arts and Crafts or Muzzleloading dealers. A tax number alone does not qualify one for dealer status, so to protect you and ensure your profit margins as a regular dealer; we strive to sell to only those firms who are dealers in hunting and/or camping supplies, shooting supplies, muzzleloading supplies or related materials.

Therefore, we ask that you complete this application in full so we may set you up as a dealer. We know that you do not want us to sell to your customers at wholesale prices and we appreciate your cooperation in this regard. Our minimum initial dealer order is \$350, with additional purchases totaling \$250 or more made at least 3 times/year in order to maintain dealer status.
